AUTUMN CONCERT

The days are getting shorter, less sunny and it is getting colder outside. We propose an autumn concert of an hour, in which we try to stir up the cosiness inside and try to project the beautiful colours autumn has to offer within our music. Our concert program consists of a selection of our repertoire within classical music, with pieces composed by Johann Sebastian Bach, Camille Saint-Saëns, Albert Roussel or Georg Friedrich Händel. In addition, we also bring classic evergreens such as Memory, Singing in the rain, Sarie Maries, Once upon a time in the West, Lara's theme (from the movie Dr. Zhivago) ...

ABOUT US

An enCHANTed FLUTE is a Brussels chamber music duo, founded in 2017. It's a bit an unusual combination with two solo instruments; soprano Paulien and flutist Miriam perform next to well-known repertoire also their own arrangements. They are also fascinated by unknown works and try. Miriam and Paulien, both born and raised at some streets from each other in Brussels, only met at the Royal Conservatory of Brussels. Both of them went abroad afterwards. Paulien went to the famous École Normale de Paris to study with Daniel Ottevaere, in the mean time she was part of MM-academy at La Monnaie for some opera productions. Miriam went to the Netherlands to study in the class of Valerie Debaele at Fontys School of the Arts. Now she's back in Belgium and studies in the class of Toon Fret at the Conservatoire Royal de Liège. She is a piccolo player in Frascati Symphonic Leuven and sometimes freelances in other orchestras and ensembles. As a chamber music duo, they are currently coached by Miriam Arnold and Vincent Royer.
